

# Sweet Dreams

That's what sweet dreams made of

DELUX

Luxurious sensation and delightful slumber –  
due to our innovative carding system.  
Our pillows retain their fluffiness for a long time  
and they are easy to shape. Immerse yourself  
in sumptuous softness and elasticity

Cleanliness and healthiness are a priority!  
Antibacterial fibres prevent dust mites  
and bacteria settling in.  
Additionally, better absorption  
of sweat and moisture is ensured.

Truly body-friendly rest.

Anatomical products help the body to relax properly, improve circulation and relieve tension in shoulder and neck muscles.

Pleasurable warmth according to needs.

Combinable blankets for every season of the year and double-warm blankets for the especially cold – according to needs, according to the weather.

Enjoyment for the body but also for the eye.

The use of beautiful fabrics and various ornamental trimmings and ruches makes the products especially decorative and tasteful – more enjoyment of a beautiful home.

High quality and practicality – bed-accessories that are easy to maintain and preserve their good appearance over a long period of time.

This is thanks to modern production techniques and the use of the top-quality main raw material.
